

Permission to Participate

The following form is designed to inform campers and parents of the activities that have the potential of being offered at camp. A parent signature on this form acknowledges the consent of the parent for their child's participation in all listed activities, unless otherwise indicated. Parents, please review these activities with your camper.

Below is a list of camper activities which will probably be offered. Please only circle any activities in which you **DO NOT** want your child to participate. If you have a question about any of the listed activities, please feel free to call us. Descriptions of each activity may also be found on our website – www.campaugusta.org. Note that the Yuba River tubing and swimming trips sometimes encounter nude sun bathers. Limiting many activities can make some activity periods difficult, as available options would be restricted. Be sure to discuss the limitations, if any, with your camper. Please sign and date the back of this page and return back to us with the remainder of this enrollment packet. *(Please do so even if all activities are ok for participation.)*
